

**REMARKS**

As noted by the Office Communication dated February 28, 2006, the Decision on Appeal affirmed the rejection of Claims 1, 3, 5, 13 and 15 and reversed the rejection as to Claims 4 and 6-12. As such, Claims 1, 3, 5, 13 and 15 have been canceled. Additionally, Claim 4 has been rewritten in independent form so as to include the recitations of Claims 1 and 3 from which Claim 4 previously depended. As such, Claims 4 and 6-12 remain in the application and should be in condition for allowance, as the rejections of those claims have been reversed.

As the application was unintentionally allowed to go abandoned prior to filing this Amendment, a Petition to revive the unintentionally abandoned application is filed concurrently herewith. As such, it is respectfully requested that the Petition be considered and granted and that this Amendment then be considered and entered in order to advance the application to allowance.
